Minutes of a Meeting of the Industrial Commission of North Dakota

Held on June 29, 2026, beginning at 8:00 a.m.

Governor's Conference Room – State Capitol

Present: Governor Kelly Armstrong, Chairman

Attorney General Drew H. Wrigley

Agriculture Commissioner Doug Goehring

Also Present: This meeting was open through Microsoft Teams so not all attendees are known.

Agency representatives joined various portions of the meeting.

Governor Armstrong called the meeting of the Industrial Commission to order at approximately 8:01 am.

Ms. Karen Tyler, Executive Director, took attendance, and Governor Armstrong, Commissioner Goehring, and Attorney General Wrigley were present.

Governor Armstrong invited the room to stand and join the Commission in saying the Pledge of Allegiance.

**DEPARTMENT OF MINERAL RESOURCES**

Mr. Mark Bohrer presented consideration of approval of the following order:

**Case No. 32779 / Order 35934**

Application of EOG Resources, Inc. for an order amending the field rules for the Parshall-Bakken Pool, Mountrail County, ND, as follows: (i) create and establish an overlapping 1280-acre spacing unit comprised of Sections 13 and 24, T.152N., R.90W., Mountrail County, ND, authorizing the drilling of a horizontal well on said proposed overlapping 1280-acre spacing unit; and (ii) create and establish an overlapping 1600-acre spacing unit comprised of Section 13, T.152N., R.90W. and Section 19 and the W/2 of Section 18, T.152N., R.89W., Mountrail County, ND, authorizing the drilling of a horizontal well on said proposed overlapping 1600-acre spacing unit, and/or such further relief.

**It was moved by Commissioner Goehring and seconded by Attorney General Wrigley to approve Order No. 35934 granting EOG Resources, Inc.'s petition for reconsideration and amending previous Order No. 35705 entered in Case No. 32779 which was an application of EOG Resources, Inc. for an order amending the field rules for the Parshall-Bakken Pool, Mountrail County, ND, as follows: (i) create and establish an overlapping 1280-acre spacing unit comprised of Sections 13 and 24, T.152N., R.90W., authorizing the drilling of a horizontal well on said proposed overlapping 1280-acre spacing unit; and, (ii) create and establish an overlapping 1600-acre spacing unit comprised of Section 13, T.152N., R.90W. and the W/2 of Section 18 and all of Section 19, T.152N., R.89W., Mountrail County, ND, authorizing the drilling of a horizontal well on said proposed overlapping 1600-acre spacing unit, and/or such further relief. Roll call: Commissioner Goehring, Attorney General Wrigley, and Governor Armstrong.**

Mr. Bohrer provided an update on the contested matters involving Continental Resources and Phoenix. He reported that the Commission denied Continental Resources' application to establish two 2,560-acre spacing units in Order No. 34860, approved Phoenix's request for increased well density in Order No. 35034 and subsequently granted Continental Resources' petition for reconsideration in Order No. 35348. Mr. Bohrer further reported that Continental Resources and Phoenix have reached a resolution to the disputed issues. Continental Resources requested dismissal of Case No. 32171, withdrew its opposition to Phoenix's increased density application, and requested dismissal of its petition for reconsideration.

Mr. Nathan Anderson provided a departmental update. He reported that North Dakota remained steady at 26 drilling rigs with 12 frac crews operating and that gas capture had decreased slightly to 95.5 percent. He also reported that oil production declined modestly from March to April to approximately 1.14 million barrels per day, with McKenzie, Williams, Dunn, Mountrail, and Divide counties accounting for nearly 96 percent of the state's oil production. Mr. Anderson discussed operational efficiencies, oil prices and revenue forecasts, and work underway on minor legislative changes for the 70th Legislative Session. During the update, he introduced Dr. Clint Boyd, who will assume the role of State Geologist effective July 1, 2026, following the retirement of Ed Murphy. Mr. Anderson also reported that recruitment efforts are underway to fill several key positions within the department.

## NORTH DAKOTA HOUSING FINANCE AGENCY

Ms. Jennifer Henderson presented a report regarding the Agency's issuance of a Declaration of Official Intent to issue Multifamily Revenue Bonds in an amount not to exceed $47.5 million for the acquisition and rehabilitation of the Central at the Horizon affordable housing project in Fargo. The 262-unit affordable housing development requires the declaration to maintain eligibility for 4% low-income housing tax credits. The declaration expresses the Agency's intent to issue bonds and does not constitute final bond approval. Final bond issuance remains contingent upon the project meeting underwriting requirements, receiving approval for the tax credits, and obtaining subsequent authorization from the Industrial Commission.

**It was moved by Commissioner Goehring and seconded by Attorney General Wrigley that the Industrial Commission approve the resolution authorizing the issuance of Multifamily Housing Revenue Bonds for the project in an aggregate principal amount not to exceed $50 million and authorizing the execution of related financing documents. Roll call: Commissioner Goehring, Attorney General Wrigley, and Governor Armstrong.**

Ms. Terri Mollman reported on updated income and acquisition cost limits for the FirstHome, FirstHome Start, HomeAccess, and DCA programs. The NDHFA Advisory Board approved the new limits, effective June 15, 2026, based on median income data published by the U.S. Department of Housing and Urban Development and IRS area purchase price calculations. The updates include an increase in the statewide single-family home acquisition cost limit to $500,000.

Mr. Brandon Dettlaff provided a legislative update. He reported on the status of the 21st Century Road to Housing Act and noted that implementation would require additional federal rulemaking and guidance. Mr. Dettlaff also discussed proposed legislation that would exempt certain affordable housing projects from Build America, Buy America (BABAA) requirements, noting that current procurement requirements have contributed to increased costs and delays for housing projects.

## BANK OF NORTH DAKOTA

Mr. Don Morgan presented the CEO Report. He highlighted the Bank's 2025 financial performance, legislative initiatives, lending activity, financial literacy efforts, relief loan programs, and strategic priorities, including fintech initiatives and Banking Beyond Boundaries.

Mr. Morgan requested to designate Mr. Ryan McKay, Chief Risk Officer, as a Bank of North Dakota officer. He reviewed Mr. McKay's responsibilities and qualifications and recommended approval of the designation.

**It was moved by Commissioner Goehring and seconded by Attorney General Wrigley that pursuant to NDCC 6-09-02.2 and bank operating policy, the Industrial Commission appoint Chief Risk Officer Ryan McKay as an officer of the Bank of North Dakota. Roll call: Commissioner Goehring, Attorney General Wrigley, and Governor Armstrong.**

The Committee reviewed the Bank's non-confidential March and April Advisory Board and Committee Meeting Minutes.

---

**It was moved by Attorney General Wrigley and seconded by Commissioner Goehring, that under the authority of North Dakota Century Code Sections 6-09-35, 44-04-18.4, and 44-04-19.2, the Industrial Commission enter executive session for the purpose of Bank of North Dakota confidential business. Roll call: Commissioner Goehring, Attorney General Wrigley, and Governor Armstrong.**

Governor Armstrong reminded the Commission members and those present in executive session that the discussion must be limited to the announced purposes. The executive session began at 8:34 am.

### BANK OF NORTH DAKOTA EXECUTIVE SESSION ATTENDANCE

**Bank of North Dakota Staff:**
Don Morgan
Kirby Evanger
Kaylen Hausauer

**Other Staff in Attendance**
Jacy Schafer – Governor's Office
Chris Joseph- Governor's Office
Karen Tyler- Industrial Commission Office
Jordan Kannianen – Industrial Commission Office
Natalie Henes – Industrial Commission Office

**The executive session ended at 9:02 am and the Commission reconvened in open session.**

During the Bank of North Dakota executive session, the Commission considered a motion regarding a One Bank revolving line of credit. On a roll call vote, Commissioner Goehring, Attorney General Wrigley, and Governor Armstrong voted aye. The motion carried unanimously.

## NORTH DAKOTA MILL & ELEVATOR

Mr. Vance Taylor and Ms. Karen Tyler requested authorization for the North Dakota Mill & Elevator's annual transfers to the Agricultural Products Utilization Fund and the State General Fund based on fiscal year 2026 unaudited financial results. The final transfer amounts will be reported to the Commission at its July 23, 2026, meeting and adjusted if necessary following completion of the annual audit.

**It was moved by Commissioner Goehring and seconded by Attorney General Wrigley that the North Dakota Mill is authorized to transfer 5% of the net income earned by the Mill for fiscal year 2026 to the Agricultural Products Utilization Fund (APUF) and transfer to the General Fund 50% of the annual earnings and undivided profits of the Mill after any transfers to other state agricultural-related programs as per the request of the Office of Management and Budget Director noting that the transfers will be based on unaudited year-end results and reserving the right to adjust the transfer numbers once the year-end results have been audited. Further that Mill management reports the amount of transfers to the Commission at the July 23, 2026 meeting. Roll call: Commissioner Goehring, Attorney General Wrigley, and Governor Armstrong.**

Mr. Taylor provided an update on the North Dakota Mill office HVAC replacement project. He reported that bids for the project totaled approximately $2.1 million to $2.2 million and included replacement of the undersized HVAC system and upgrades to the building's electrical system. Based on the estimated cost, he recommends not proceeding with the project and instead evaluating other long-term facility options, noting that investing more than $2 million in the 104-year-old building may not be the best use of resources. Mr. Taylor reported that a preliminary engineering estimate for construction of a new 10,000-square-foot office building is approximately $4.1 million, excluding land costs, and that staff will continue evaluating alternative options for the office facility.

Ms. Kathy Dub reported that the North Dakota Mill & Elevator had completed a comprehensive review and revision of its employee handbooks and travel policies. The review included assistance from an independent consultant. The revised policies and procedures will become effective July 1, 2026.

Mr. Taylor provided an update on the mill building project. He reported that construction is underway, with structural steel on site and equipment expected to arrive as milling operations are completed. The project remains on schedule for completion by mid-summer 2027. Mr. Taylor reported that the project will enhance dust collection capabilities, provide space for future capacity improvements, and support planned production increases.

The Commission presented a resolution of appreciation to Mr. Taylor in recognition of his 26 years of service.

**Resolution of Appreciation**

**Whereas,** J. Vance Taylor was appointed President and Chief Executive Officer of the North Dakota Mill & Elevator Association on June 6, 2000, and is the longest-serving General Manager in the history of the North Dakota Mill; and

**Whereas,** during his twenty-six-year career with the North Dakota Mill, Vance has led significant growth, expanding the Mill's size while continuously modernizing and improving its operations; and

**Whereas,** through his leadership and vision, Vance guided the expansion of the North Dakota Mill by adding three new milling units, bringing the total number of units to ten, with a daily capacity rating of 60,500 hundredweight, making it the largest wheat milling facility in North America; and

**Whereas,** Vance has applied his extensive knowledge of mill operations to identify and implement efficiencies that increased productivity and performance creating a history of record setting profitability; and

**Whereas,** Vance has decided to retire and devote more time to his wife, Brenda, his children and grandchildren, and to enjoy traveling, golfing, and hitting the slopes;

**Now, therefore,** the Industrial Commission hereby expresses its deep gratitude to J. Vance Taylor for his twenty-six years of dedicated service to the North Dakota Mill and the citizens of North Dakota, and extends its best wishes for a fulfilling and enjoyable retirement.

Adopted this 29th day of June, 2026.

**LEGAL UPDATE**

Mr. Phil Axt provided a legal update on ongoing litigation and regulatory matters, including Pore Space Amalgamation lawsuits, DAPL operation lawsuits, BLM Conservation Rule, EPA Coal Combustion Residuals Rule, and EPA Mercury and Air Toxics Standards (MATS) Rule.

**NORTH DAKOTA PUBLIC FINANCE AUTHORITY**

Ms. Tyler presented a recommendation to reappoint Keith Lund, President and CEO of the Grand Forks Region Economic Development Corporation, to the Public Finance Authority Advisory Committee for a three-year term ending July 1, 2029. Ms. Tyler noted that Mr. Lund has served on the Committee since 2011, currently serves as Chairman, and provides valuable expertise in municipal finance and economic development.

**It was moved by Commissioner Goehring and seconded by Attorney General Wrigley that the Industrial Commission approve the reappointment of Keith Lund for a three-year term to the Public Finance Authority Advisory Committee extending to July 1, 2029. Roll call: Commissioner Goehring, Attorney General Wrigley, and Governor Armstrong.**

Ms. DeAnn Ament, presented consideration of approval of the following State Revolving Fund loans:

**City of Tuttle – Clean Water State Revolving Fund Loan Request:** To finance repairs to sanitary sewer collection pipes and replacement of the community lift station. The $3,252,000 project includes a Clean Water State Revolving Fund (CWSRF) loan of $624,000, $1,873,000 in loan forgiveness, and $755,000 in Community Development Block Grant funding. The proposed loan term is 30 years.

**It was moved by Commissioner Goehring and seconded by Attorney General Wrigley that the Industrial Commission approve a Clean Water State Revolving Fund loan of $624,000 to the City of Tuttle for repairs to sanitary sewer collection pipes and replacement of the community lift station. The project includes $1,873,000 in loan forgiveness and $755,000 in Community Development Block Grant funding, for a total project cost of $3,252,000. The loan shall have a term of 30 years. Roll call: Commissioner Goehring, Attorney General Wrigley, and Governor Armstrong.**

**A Resolution was made:**

RESOLUTION APPROVING
LOAN FROM CLEAN WATER STATE REVOLVING FUND

WHEREAS, the Industrial Commission has heretofore authorized the creation of a Clean Water State Revolving Fund Program (the "Program") pursuant to N.D.C.C. chs. 6-09.4 and 61-28.2; and

WHEREAS, the Clean Water State Revolving Fund is governed in part by the Master Trust Indenture dated as of July 1, 2011 (the "Indenture"), between the North Dakota Public Finance Authority (NDPFA) and the Bank of North Dakota (the Trustee); and

WHEREAS, the City of Tuttle (the "Political Subdivision") has requested a loan in the amount of $2,497,000 from the Program to repair sanitary sewer collection pipes and replace the lift station; and

WHEREAS, the NDPFA's Advisory Committee is recommending approval of the Loan; and

WHEREAS, there has been presented to this Commission a form of Loan Agreement proposed to be adopted by the Political Subdivision and entered into with the NDPFA;

NOW, THEREFORE, BE IT RESOLVED by the Industrial Commission of North Dakota as follows:

1. The Loan is hereby approved, as recommended by the Advisory Committee.
2. The form of Loan Agreement to be entered into with the Political Subdivision is hereby approved in substantially the form on file and the Executive Director is hereby authorized to execute the same with all such changes and revisions therein as the Executive Director shall approve.
3. The Executive Director is authorized to fund the Loan from funds on hand in the Clean Water Loan Fund established under the Indenture upon receipt of the Municipal Securities described in the Political Subdivisions bond resolution, to submit to the Trustee a NDPFA Request pursuant to the Indenture, and to make such other determinations as are required under the Indenture.
4. The Commission declares its intent pursuant to Treasury Regulations '1.150-2 that any Loan funds advanced from the Federally Capitalized Loan Account shall be reimbursed from the proceeds of bonds issued by the NDPFA under the Indenture.

Adopted: June 29, 2026

**City of Dickinson – Drinking Water State Revolving Fund Loan Request: T**o replace cast iron water mains, service lines, and curb stops. The $18,250,000 project includes a $6,000,000 Drinking Water State Revolving Fund (DWSRF) loan request, $7,700,000 in Department of Water Resources cost-share funding, and $4,550,000 in local funds. The proposed loan term is 20 years and will be repaid with revenue bonds supported by a portion of the City's sales tax dedicated to infrastructure.

**It was moved by Commissioner Goehring and seconded by Attorney General Wrigley that the Industrial Commission approve a $6,000,000 Drinking Water State Revolving Fund loan to the City of Dickinson for the replacement of cast iron water mains, service lines, and curb stops. The project includes $7,700,000 in Department of Water Resources cost-share funding and $4,550,000 in local funds, for a total project cost of $18,250,000. The loan shall have a term of 20 years and be repaid with revenue bonds supported by a portion of the City's sales tax dedicated to infrastructure. Roll call: Commissioner Goehring, Attorney General Wrigley, and Governor Armstrong.**

**A Resolution was made:**

RESOLUTION APPROVING
LOAN FROM CLEAN WATER STATE REVOLVING FUND

WHEREAS, the Industrial Commission has heretofore authorized the creation of a Drinking Water State Revolving Fund Program (the "Program") pursuant to N.D.C.C. chs. 6-09.4, 61-28.1, and 61-28.2; and

WHEREAS, the State Revolving Fund is governed in part by the Master Trust Indenture dated as of July 1, 2011 (the "Indenture"), between the North Dakota Public Finance Authority (the "NDPFA") and the Bank of North Dakota (the "Trustee"); and

WHEREAS, the City of Dickinson (the "Political Subdivision") has requested a loan in the amount of $6,000,000 from the Program to replace cast iron water mains, service lines and curb stops; and

WHEREAS, NDPFA's Advisory Committee is recommending approval of the Loan; and

WHEREAS, there has been presented to this Commission a form of Loan Agreement proposed to be adopted by the Political Subdivision and entered into with the NDPFA;

NOW, THEREFORE, BE IT RESOLVED by the Industrial Commission of North Dakota as follows:

1. The Loan is hereby approved, as recommended by the Advisory Committee.

2. The form of Loan Agreement to be entered into with the Political Subdivision is hereby approved in substantially the form on file and the Executive Director is hereby authorized to execute the same with all such changes and revisions therein as the Executive Director shall approve.

3. The Executive Director is authorized to fund the Loan from funds on hand in the Drinking Water Loan Fund established under the Indenture upon receipt of the Municipal Securities described in the Political Subdivisions bond resolution, to submit to the Trustee a NDPFA Request pursuant to the Indenture, and to make such other determinations as are required under the Indenture.

4. The Commission declares its intent pursuant to Treasury Regulations '1.150-2 that any Loan funds advanced from the Federally Capitalized Loan Account shall be reimbursed from the proceeds of bonds issued by the NDPFA under the Indenture.

Adopted: June 29, 2026

**Walsh Rural Water District – Drinking State Revolving Fund Loan Request:** To increase wellfield capacity within the Fordville aquifer, construct a new raw water receiving pumping station, 32 miles of raw water transmission pipeline, a new rural water distribution pipeline from the Grafton water treatment plant, and upgrades to the Park River and Grafton water treatment plants. The $37,000,250 project includes a $16,954,000 Drinking Water State Revolving Fund (DWSRF) request, of which $10,558,990 is loan forgiveness, resulting in a net DWSRF loan of $6,395,010. The project also includes $11,149,500 in Department of Water Resources cost-share funding and an $8,896,750 EC in SDC grant. The proposed loan term is 30 years and will be repaid through water user fees.

**It was moved by Commissioner Goehring and seconded by Attorney General Wrigley that the Industrial Commission approve a Drinking Water State Revolving Fund loan of $6,395,010 to Walsh Rural Water District to increase wellfield capacity within the Fordville aquifer, construct a new raw water receiving pumping station, 32 miles of raw water transmission pipeline, a new rural water distribution pipeline from the Grafton water treatment plant, and upgrades to the Park River and Grafton water treatment plants. The project includes $10,558,990 in loan forgiveness, $11,149,500 in Department of Water Resources cost-share funding, and an $8,896,750 EC in SDC grant, for a total project cost of $37,000,250. The loan shall have a term of 30 years. Roll call: Commissioner Goehring, Attorney General Wrigley, and Governor Armstrong.**

**A Resolution was made:**

WHEREAS, the Industrial Commission has heretofore authorized the creation of a Drinking Water State Revolving Fund Program (the “Program”) pursuant to N.D.C.C. chs. 6-09.4, 61-28.1, and 61-28.2; and

WHEREAS, the State Revolving Fund is governed in part by the Master Trust Indenture dated as of July 1, 2011 (the "Indenture"), between the North Dakota Public Finance Authority (the “NDPFA”) and the Bank of North Dakota (the “Trustee”); and

WHEREAS, Walsh Rural Water District (the "Political Subdivision") has requested a loan in the amount of $16,954,000 from the Program to increase the wellfield capacity within the Fordville aquifer, construct a new raw water receiving pumping station, 32-miles of raw water transmission pipeline, a new rural water distribution pipeline to water from the Grafton water treatment plant, and upgrades to the Park River and Grafton water treatment plants; and

WHEREAS, NDPFA's Advisory Committee is recommending approval of the Loan; and

WHEREAS, there has been presented to this Commission a form of Loan Agreement proposed to be adopted by the Political Subdivision and entered into with the NDPFA;

NOW, THEREFORE, BE IT RESOLVED by the Industrial Commission of North Dakota as follows:

1. The Loan is hereby approved, as recommended by the Advisory Committee.

2. The form of Loan Agreement to be entered into with the Political Subdivision is hereby approved in substantially the form on file and the Executive Director is hereby authorized to execute the same with all such changes and revisions therein as the Executive Director shall approve.

3. The Executive Director is authorized to fund the Loan from funds on hand in the Drinking Water Loan Fund established under the Indenture upon receipt of the Municipal Securities described in the Political Subdivisions bond resolution, to submit to the Trustee a NDPFA Request pursuant to the Indenture, and to make such other determinations as are required under the Indenture.

4. The Commission declares its intent pursuant to Treasury Regulations '1.150-2 that any Loan funds advanced from the Federally Capitalized Loan Account shall be reimbursed from the proceeds of bonds issued by the NDPFA under the Indenture.

Adopted: June 29, 2026

Ms. Ament reported on State Revolving Fund loans approved by the Public Finance Authority Advisory Committee. Pursuant to established policy P-3B, the loans were within the Public Finance Authority's approval authority and did not require Industrial Commission approval. The loans included Clean Water State Revolving Fund loans for the Cities of Belfield ($143,000), Regent ($1,075,000), and Wing ($1,807,000, including loan forgiveness), and Drinking Water State Revolving Fund loans for the Cities of Grafton ($1,125,000, including loan forgiveness), Jamestown ($579,000), and Rocklake ($260,000).

## STATE ENERGY RESOURCE CENTER (SERC)

Mr. Tom Erickson, Director of the Energy & Environmental Research Center (EERC), introduced Scott Ayash, who will become the next Director of the EERC upon Mr. Erickson's retirement after 40 years of service. Mr. Erickson noted that Mr. Ayash has been with the EERC since 2019.

Mr. Erickson presented an overview of a proposed AI framework to support North Dakota energy innovation. The project would establish a secure and reliable AI platform, develop AI-ready expertise, and create a turnkey capability to support future research and industry needs across the state. The project is anticipated to be completed within nine months at an estimated cost of $276,330.

**It was moved by Commissioner Goehring and seconded by Attorney General Wrigley that the Industrial Commission approve the request by the Energy & Environmental Research Center for funding in the amount of $276,330 under the State Energy Research Center Contract 2025-2, Task 2 (contract) for a project titled:**

**"AI Framework to Support North Dakota Energy Innovation"**

**with such funding comprised of $250,000 in available funding under the contract and $26,330 from unused funding for the previously approved geothermal feasibility study under the contract. Roll call: Commissioner Goehring, Attorney General Wrigley, and Governor Armstrong.**

**INDUSTRIAL COMMISSION ADMINISTRATIVE OFFICE**

Ms. Tyler presented the recommended agency leader compensation increases for the second half of the 2025–2027 biennium.

**It was moved by Commissioner Goehring and seconded by Attorney General Wrigley that the Industrial Commission approve agency leader compensation increases for the second half of the 2025-2027 biennium as appropriated by the 69th Legislative Assembly and recommended by the Industrial Commission Executive Director. Roll call: Commissioner Goehring, Attorney General Wrigley, and Governor Armstrong.**

Mr. Jordan Kannianen presented proposed changes to two previously approved grant projects. The first request involved changing the pad location and project title for Continental Resources' enhanced oil recovery project in Williams County from the Durant Pad to the Vandeberg Pad.

**It was moved by Commissioner Goehring and seconded by Attorney General Wrigley that the Industrial Commission accept the recommendation of the Oil and Gas Research Council, approve the change in pad location and project title from the Durant Pad to the Vandeberg Pad for Continental's Oil and Gas Research Program Enhanced Oil Recovery project listed below, and authorize the Office of the Industrial Commission to enter into a contract for the project: G-062-126: "A Multi-Well, Multi-Zone Enhanced Oil Recovery Project Utilizing Produced Natural Gas in Williams County – Vandeberg Pad" Continental Resources $9,836,905. Roll call: Commissioner Goehring, Attorney General Wrigley, and Governor Armstrong.**

The second request involved establishing a retroactive effective date of April 1, 2026, for the Lignite Energy Council Education Program project.

**It was moved by Commissioner Goehring and seconded by Attorney General Wrigley that the Industrial Commission approve a retroactive effective date of April 1, 2026 for the following project that was previously approved May 12, 2026: FY26-109-B: Lignite Energy Council**

**"Lignite Energy Council Education Program", $550,000. Roll call: Commissioner Goehring, Attorney General Wrigley, and Governor Armstrong.**

Ms. Tyler presented the minutes of previous Industrial Commission meetings for consideration.

**It was moved by Commissioner Goehring and seconded by Attorney General Wrigley that the Industrial Commission approve the following meeting minutes:**

**May 12, 2026, Regular Industrial Commission Meeting**

**June 2, 2026, Special Industrial Commission Meeting**

**June 9, 2026, Special Industrial Commission Meeting**

**June 19, 2026, Special Industrial Commission Meeting**

**Roll call: Commissioner Goehring, Attorney General Wrigley, and Governor Armstrong.**

## ADJOURNMENT

The next regular Industrial Commission meeting will be held Thursday, July 23, 2026, in the Governor's Conference Room from 9:00 a.m.– 12:30 p.m.

With no further business, Governor Armstrong adjourned the meeting of the Industrial Commission at 9:49 am.

**Karen Tyler**
Executive Director

**Natalie Henes**
Executive Assistant
