

GRANT PROGRAM FINAL REPORT

*This Final Report must be submitted in addition to the last Status Report.
It must cover the full period of the grant award.*

Section 1 – Identifying Information About Grant

Select the name of Industrial Commission Grant Program:

- Clean Sustainable Energy Authority Program
- Lignite Research, Development and Marketing Program
- Oil and Gas Research Program
- Outdoor Heritage Fund Program
- Renewable Energy Program

Contract Number: _____

Project Name: _____

Report Prepared By: _____

Contact Information (phone/email): _____

Date of Report: _____

Section 2 – Project Objectives

Provide a high-level description of the project objectives.

If additional space is required, please attach as an additional page.

Section 3 – Work Completed

Provide detailed information about work completed over the course of the project, and if all contract deliverables were met.

If additional space is required, please attach as an additional page.

Section 4 – Project Results and Significant Findings

Explain if the project was completed, key project results and significant findings, and if the results aligned with the project’s original objectives. If applicable, explain if and when commercialization is achievable.

If additional space is required, please attach as an additional page.

Section 5 – Value to North Dakota

Explain the broader impact of the project on the community and/or industry, and how this project benefited the recipient and the State of North Dakota.

Section 6 – Overall Project Experience and Recognition of State Support

Describe the grant program’s impact on the recipient, and how the recipient will recognize the North Dakota Industrial Commission’s support of this project.

Section 7 – Signature and certification of accuracy of information

By signing, I certify that the information provided is accurate and complete.
