

Technical Reviewer Agreement

This agreement is between the Industrial Commission of North Dakota (Commission) and XXX (Reviewer):

Reviewer is an Independent Technical Reviewer, the responsibilities of which are to review applications for funding from the Clean Sustainable Energy Fund. Reviewer agrees to do the following:

1. To keep in confidence the contents of all applications received for review;
2. Not to give an application to another person for review or comment without prior notice to and written approval from the Commission;
3. To destroy or return all applications to the Commission;
4. To complete the required rating form; and
5. To notify the Commission should the Reviewer have a direct financial interest in the proposed project(s) presented to him/her for review.

In addition, I understand the following:

1. That the Commission will make a best effort to maintain anonymity of reviewers with applicants, but will make review comments available to applicants;
2. That the Clean Sustainable Energy Authority will consider comments and ratings received from me in making funding recommendations to the Commission;
3. That the Commission is offering to pay reviewers a \$300.00 honorarium for each application review; and
4. That the Reviewer is not receiving a salary or other remuneration from the State of North Dakota for the services performed except if the individual is on approved annual leave.
