

Instructions

Please download this Word document (available on the Industrial Commission/Outdoor Heritage Fund Program website at <http://www.nd.gov/ndic/outdoor-infopage.htm>) to your computer and provide the information as requested. You are not limited to the spacing provided. After completing the report, save it and attach it to an e-mail and send it to outdoorheritage@nd.gov AND print it and mail it to: North Dakota Industrial Commission, ATTN: Outdoor Heritage Fund Program, State Capitol – Fourteenth Floor, 600 East Boulevard Ave. Dept. 405, Bismarck, ND 58505. If you are unable to scan attachments, mail them with your paper copy of the report. You will be sent a confirmation by e-mail of receipt of your report and attachments. The project reports shall be provided to the Commission in both electronic and hard-copy formats with permission for unrestricted distribution. The electronic versions shall be in a suitable format for posting on the Outdoor Heritage Fund/Commission website.

Outdoor Heritage Fund Status and Final Report Form/Guidelines

This report is used to show progress of grant projects funded through the Outdoor Heritage Fund. Status Reports and the Final Report must be submitted as required in Contract.

Contract Number 014-151	Report Date December 31, 2023	Period Covered by Report (1/1/2023 to 12/31/23)
----------------------------	----------------------------------	--

Project Name
Planting for the Future

Project Sponsor Name
North Dakota Petroleum Foundation

Responsible Official (Last, First Middle) Sandstrom, Tessa Marie	Responsible Official's Title Executive Director
--	---

Project Sponsor Address
P.O. Box 7233

City Bismarck	State ND	Zip Code 58507	Telephone Number 701.557.3972
------------------	-------------	-------------------	----------------------------------

Financial Update

Please provide the following information regarding the funding for your project based on the contract award:

	Funds Spent THIS Reporting Period*	Total Funds Spent to Date	Balance of Remaining Funds
Match Funding	\$595.40*	\$ 58,932.66	\$ 42,067.34
In-kind Funding	\$3,924.90**	\$ 24,003.32	\$ 10,996.68
OHF Funding	\$18,663.50	\$ 76,860.78	\$ 11,789.20
Total			

*Mileage for Minot-Towner-Medina-Bismarck-Minot (372 miles x IRS rate of \$0.655/mile) and Minot-Fargo-Minot (537 miles) to deliver trees for replanting of 2020 and 2019 projects.

**This accounts for 78 hours and 30 minutes of NDPC time. This amount is higher since landowners spent their own time to replant trees, but I was not able to get forms back for verification.

Do you anticipate needing to request a grant extension? /_/ Yes /x/ No

If yes, please explain:

*As appropriate please provide copies of receipts for purchases.

Work Completed during Period Covered by Report:

(This information will be posted on the Outdoor Heritage Fund/Industrial Commission website)

Work completed during this period included replacing trees that had died on 2020 and 2021 projects, as well as administration and monitoring.

Approximately 17,350 replacement trees were planted on 12 different projects that were initially completed in 2020 and 2021. This included:

175 boxelder ([50@2.38](#); [125@1.02](#)) = \$246.50
 200 cottonwood (1.10) = 220
 250 American Elm (0.63) = 157.50
 400 Amur Maple (1.06) = 424
 175 Silver Maple (1.90) = 332.5
 175 Ussarian Pear (2.00) = 350
 450 American Plum (0.81) = 364.50
 775 Western Sandcherry (2.00) = 1550
 7,350 Black Hills Spruce (0.91) = 6688.50
 25 American Mountain Ash (\$1.95) = 48.75
 25 Northern Catalpha (2.63) = 65.75
 25 Redosier Dogwood (1.23) = 30.75
 25 Elderberry (2.63) = 65.75
 25 Serviceberry (2.95) = 73.75
 25 Sugar Maple (2.75) = 68.75
 25 Ponderosa Pine (2.00) = 50
 2600 Scotch Pine (0.81) = 2106
 25 Redbud (2.63) = 131.50
 175 Colorado Blue Spruce (0.91) = 159.25
 50 Green Ash (1.01) 50.50
 25 Chokecherry (0.81) = 20.25
 2250 Rocky Mountain Juniper (0.91) = 2047.50
 50 Caragana (0.81) = 40.50
 2100 Eastern Red Cedar (0.91) = 1911
 50 Honeysuckle (2.00) = 100
 50 Skunkbush Sumac (2.00) = 100
 600 Buttonbush (2.10) = 1260.00
 18,100 = \$18,663.5

This year marks the last year that 2021 projects need to be monitored, but replacement trees will be provided to landowners who request them. Although 2020 projects weren't required to be monitored this year, replacement trees were provided to those who requested. Most replacements were for Ponderosa Pine, which has seemed to struggle due to poor stock over the past few years.

As of fall 2023, the overall survival rate of 2021 projects was at 74.4%, which is above the NRCS conditions for a successful habitat planting.

Photos of work completed are welcome (If appropriate, please submit photos of key elements of the project completed or in progress during reporting period) Do not exceed five photos per project report.

This report was prepared pursuant to an agreement with the Industrial Commission of North Dakota, which partially funded the project through the Outdoor Heritage Fund. Project participants, its subcontractors, and the Industrial Commission of North Dakota, or any person acting on its behalf, do not:

- (A) Make any warranty or representation, express or implied, with respect to the accuracy, completeness, or usefulness of the information contained in this report, or that the use of any information, apparatus, method, or process disclosed in this report may not infringe privately-owned rights; or*
- (B) Assume any liabilities with respect to the use of, or for damages resulting from the use of, any information, apparatus, method or process disclosed in this report.*

Reference herein to any specific commercial product, process, or service by trade name, trademark, manufacturer, or otherwise, does not necessarily constitute or imply its endorsement, recommendation, or favoring by the Industrial Commission of North Dakota. The views and opinions of authors expressed herein do not necessarily state or reflect those of the Industrial Commission of North Dakota.
