Final Report

OHF Final Report

Goal of Project*:

Dredge town dam and stock with fish.

Work Accomplished*:

The Glen Ullin Park District has been working hard on their ?Bringing Fish to Glen Ullin? project. The dam was dredged on the East & West Side of the dam in October of 2021. On May 9th and 10th the Game and Fish delivered the fish to the dam. On August 5th the Vault toilet was delivered and installed. October 2022 the scoria was delivered and spread in the parking lots. The dock was delivered at the end of September and is ready to be placed in the water in the spring.

Project Results*:

Public has acknowledged and complemented the project

Value to North Dakota*:

Added recreational opportunities

Certification

This report was prepared pursuant to an agreement with the Industrial Commission of North Dakota, which partially funded the project through the Outdoor Heritage Fund. Project participants, its subcontractors, and the Industrial Commission of North Dakota, or any person acting on its behalf, do not:

- (A) Make any warranty or representation, express or implied, with respect to the accuracy, completeness, or usefulness of the information contained in this report, or that the use of any information, apparatus, method, or process disclosed in this report may not infringe privately-owned rights; or
- (B) Assume any liabilities with respect to the use of, or for damages resulting from the use of, any information, apparatus, method or process disclosed in this report.

Reference herein to any specific commercial product, process, or service by trade name, trademark, manufacturer, or otherwise, does not necessarily constitute or imply its endorsement, recommendation, or favoring by the Industrial Commission of North Dakota. The views and opinions of authors expressed herein do not necessarily state or reflect those of the Industrial Commission of North Dakota.
