

## **OUTDOOR HERITAGE FUND GRANT APPLICATION NOTES**

Dear Application Reviewer,

You will note signatures on pages 1 and 4 certifying the application. I couldn't find a signature page on the application, so I included them on my own.

The following Attachments are included:

- A-1. GOWAN Construction bid for Phase 1 and Phase 2
- A-2 GOWAN Construction bid for Phase 3 Picnic Area
- A-3. JASON STADSTAD YOUTH BOOSTERS – Grant Match Certification
- A-4 JD CONSTRUCTION – In-Kind donation amounts.
- A -5 MANVEL COMMUNITY PARK IMPROVEMENT PROJECT flyer with Project totals.

# Outdoor Heritage Fund Grant Application

## Instructions

After completing the form, applications and supporting documentation may be submitted by e-mail to [ndicgrants@nd.gov](mailto:ndicgrants@nd.gov). It is preferred that only electronic copies are submitted.

You are not limited to the spacing provided, except in those instances where there is a limit on the number of words. If you need additional space, please indicate that on the application form, answer the question on a separate page, and include with your submission.

The application and all attachments must be received by the application deadline. You may submit your application at any time prior to the application deadline. Applicants are strongly encouraged to submit applications prior to the deadline for staff review in order ensure that proposals will be complete when submitted on deadline date. Incomplete applications may not be considered for funding.

Please review the back of this form to determine project eligibility, definitions, budget criteria, and statutory requirements.

Project Name

**Manvel Community Park Improvement Project**

Name of Organization

**Manvel Park Board**

Federal Tax ID#

**45-0320673**

Contact Person/Title

**Richard Ray, Administrative Secretary (Primary Contact)**

**Mark Gerszewski, Manvel Park Board President (Alternate Contact)**

*Richard Ray*  
*Mark Gerszewski*

Address

**1210 Oldham Avenue**

City

**Manvel**

List names of co-applicants if this is a joint proposal

**MAJOR Directive:**

Choose only one response

**Directive A.** Providing access to private and public lands for sportsmen, including projects that create fish and wildlife habitat and provide access for sportsmen;

**Directive B.** Improving, maintaining and restoring water quality, soil conditions, plant diversity, animal systems and by supporting other practices of stewardship to enhance farming and ranching;

**Directive C.** Developing, enhancing, conserving and restoring wildlife and fish habitat on private and public lands; and

**Directive D.** Conserving natural areas and creating other areas for recreation through the establishment and development of parks and other recreation areas.

**We are applying under Directive D**

**Additional Directive:**

Choose all that apply

**Directive A.**

**Directive B.**

**Directive C.**

**Directive D.**

**Type of organization:**

State Agency

**Political Subdivision**

Tribal Entity

Tax-exempt, nonprofit corporation.

**We are a political Subdivision**

**Abstract/Executive Summary.**

Summarize the project, including its objectives, expected results, duration, total project costs and participants. (no more than 500 words)

**Objectives:**

- 1. We are requesting funds so we can install concrete sidewalks to facilitate the use of wheelchairs when accessing our playground, picnic area, and softball diamonds. Without concrete sidewalks, it is very difficult to use wheelchairs on our grass surface.
- 2. The sidewalks will benefit all our citizens, but especially our elderly population and wheelchair bound individuals.

**Expected Results:**

- 1. The sidewalks will immediately improve the mobility of wheelchair bound individuals.
- 2. Our elderly citizens will be able to walk safely without encountering tripping hazards or uneven ground.

**Project Duration:**

As soon as funds are approved, the sidewalks will be built. We have the required "matching" funds and a contractor who will complete the work. This is a permanent improvement that will benefit people for many years.

**Indicate the intended schedule for drawing down OHF funds.**

Once funds are approved, we will contact the contractor to begin the work. Funds will be drawn down as soon as the contractor can schedule the work. This could be this fall or the spring of 2025.

**Amount of Grant request: \$ 45,746**

**Total Project Costs: \$ 66,746**

Note: in-kind and indirect costs can be used for matching funds.

**Amount of Matching Funds: \$ 21,000**

A minimum of 25% Match Funding is required. Indicate if the matching funds will be in-kind, indirect or cash. Please provide verification that these matching funds are available for your project. Note that effective as of July 1, 2015 no State General Fund dollars can be used for a match unless funding was legislatively appropriated for that purpose.

Amount of Match	Funding Source	Type of Match (Cash, In-kind or Indirect)
\$ 16,000	Jason Stadstad Youth Boosters	Cash
\$ 5,000	Manvel Park District Volunteers & Jason Stadstad Youth Boosters	In-Kind
\$ 21,000		

\$		
\$

**Certifications**

I certify that this application has been made with the support of the governing body and chief executive of my organization.

I certify that if awarded grant funding none of the funding will be used for any of the exemptions noted in the back of this application. *Mark Dargatzis*

- a. I certify this application has been made with the support of the governing body and chief executive of the Manvel Park Board. *Mark Dargatzis*
- b. I certify that if awarded grant funding none of the funding will be used for any of the exemptions noted in the back of this application. *MC*

**Narrative**

**Organization Information – Briefly summarize your organization’s history, mission, current programs and activities.**

Include an overview of your organizational structure, including board, staff and volunteer involvement. (no more than 300 words)

**The mission** of the Manvel Park Board is to provide the best park facilities, programs, and services possible to promote a healthy and enjoyable lifestyle for all citizens of Manvel and the surrounding area.

Literally, every age group in Manvel, and the surrounding rural area, are served by the Manvel Park Recreational Complex. The Park Board's playground, softball diamonds, skating rink and picnic area serve children and adults of all ages. Senior citizens can actively participate in Park activities or enjoy sitting on the bleachers watching softball games or skating. During the winter months, the Manvel Elementary School uses the facility to teach ice skating and curling to its students, and in the spring and summer, they use the softball diamonds. This unique partnership enhances the physical education and recreational opportunities for Manvel School students.

It is important to note that the Manvel Park Board is supported by a number of local, regional and state entities. These organizations recognize the importance of our “mission” and have supported our projects in recent years. They recognize that the Manvel Park Board is an efficiently run organization, which utilizes local and regional volunteers, contractors, and other community sponsors.

The Manvel Park District is governed by a five member Board of Directors. There are no paid employees, except for part time softball coaches. The District is operated and maintained by a dedicated core of volunteers who are involved in every aspect of the operation and maintenance of the complex. Volunteers donate time to operate park board activities and maintain the buildings and grounds. Most of the maintenance is completed by individuals, however, local business also donate time and materials.

**Purpose of Grant – Describe the proposed project identifying how the project will meet the specific directive(s) of the Outdoor Heritage Fund Program**

Identify project goals, strategies and benefits and your timetable for implementation. Include information about the need for the project and whether there is urgency for funding. Indicate if this is a new project or if it is replacing funding that is no longer available to your organization. Identify any innovative features or processes of your project. Note: if your proposal provides funding to an individual, the names of the recipients must be reported to the Industrial Commission/Outdoor Heritage Fund. These names will be disclosed upon request.

For tree/shrub/grass plantings: provide a planting plan describing the site design, planting methods, number of trees/shrubs by species and stock size, grass species and future maintenance. A statement certifying that the applicant will adhere to USDA-NRCS tree/shrub/grass planting specifications along with the name of the governmental entity designing the planting may be substituted for a planting plan.

For projects including Section 319 funding: provide in detail the specific best management practices that will be implemented and the specific projects for which you are seeking funding.

For projects including fencing: A minimum cost share of 40% by the recipient is preferred. Include detailed information on the type of fencing to be installed, whether funding is requested for boundary fencing, new or replacement of existing fencing, and/or cross fencing.

**Purpose of Grant**

We are requesting funds so we can install concrete sidewalks to facilitate the use of wheelchairs when accessing our playground, picnic area and softball diamonds. Without concrete sidewalks, it is very difficult to use wheelchairs on our grass surface. The sidewalks will benefit all our citizens, but especially our elderly population and wheelchair bound individuals.

**Expected Results:**

1. The sidewalks will immediately improve the mobility of wheelchair bound individuals.
2. Our elderly citizens will be able to walk safely without encountering tripping hazards or uneven ground.

Because we have matching funds available, the project will begin as soon as grant awards are dispersed. (weather permitting). If the project can't be completed this fall, it will be done in the spring of 2025.

This is a new project which complements our ongoing efforts to improve our facilities. It represents an important need but is not considered urgent.

Is this project part of a Comprehensive Conservation Plan?  Yes  No

### **NO, this project is not part of a Comprehensive Conservation Plan**

If yes, provide a copy with the application.

*Note: Projects involving buildings and infrastructure will only be considered if part of a Comprehensive Conservation Plan. Please refer to the "Definitions" section at the back of the form for more details.*

### **Management of Project – Provide a description of how you will manage and oversee the project to ensure it is carried out on schedule and in a manner that best ensures its objectives will be met.**

Include a brief background and work experience for those managing the project.

This project will be managed by Mark Gerszewski, and Joe Ebertowski.

1. Mark will manage the business requirements (financial & timeline) to complete the project.
2. Joe Ebertowski is a licensed practicing building contractor with experience in concrete and carpentry.

### **Evaluation – Describe your plan to document progress and results.**

Please be specific on the methods you will utilize to measure success. Note that regular reporting, final evaluation and expenditure reports will be required for every grant awarded.

This project will be evaluated by anecdotal reporting and observation. Manvel Park volunteers will interview participants and spectators to assess their opinion on the success of the sidewalk project. Observations will be made as to the number of handicap and elderly individuals using the facility.

## **Financial Information**

### **Project Budget – Use the table below to provide an itemized list of project expenses and describe the matching funds being utilized for this project.**

Indicate if the matching funds are in the form of cash, indirect costs or in-kind services. The budget should identify all other committed funding sources and the amount of funding from each source. A minimum of 25% match funding is required. An application will be scored higher the greater the amount of match funding provided. (See Scoring Form.)

Certain values have been identified for in-kind services as detailed under "Budget Information" at the back of this form. Refer to that section and utilize these values in identifying your matching funds.

**NOTE: No indirect costs will be funded. Supporting documentation for project expenses, including bids, must be included or application will be considered incomplete.**

Project Expense	OHF Request	Applicant's Match Share (Cash)	Applicant's Match Share (In-Kind)	Applicant's Match Share (Indirect)	Other Project Sponsor's Share	Total Each Project Expense
Phase 1 Sidewalk	\$ 14,960	\$ 3,000	\$ 2,000	\$	\$	\$ 19,960
Phase 2 Sidewalk	\$ 23,710	\$ 8,570	\$ 2,000	\$	\$	\$ 34,280
Picnic Area Slab	\$ 7,076	\$ 4,430	\$ 1,000	\$	\$	\$ 12,506
	\$	\$	\$	\$	\$	\$
	\$	\$	\$	\$	\$	\$
	\$	\$	\$	\$	\$	\$
<b>Total Costs</b>	<b>\$ 45,746</b>	<b>\$ 16,000</b>	<b>\$ 5,000</b>	<b>\$</b>	<b>\$</b>	<b>\$ 66,746</b>

Note: Costs for seeding, fencing, pipelines, wells, and cover crops cannot exceed NRCS Field Office Tech Guide without justification. Projects involving perimeter fencing must follow NRCS eligibility standards.

**Budget Narrative – Use the space below to provide additional detail regarding project expenses.**

1. This project has been broken down into 3 sections. (Phase 1, Phase 2, and Picnic Area Slab.) By doing so, we retain the flexibility to construct only as much as we have funds for.
2. We have indicated In-Kind funds to be used to backfill and landscape the sidewalks and to reduce the mobilization costs. (Mobilization costs are fees the contractor charges for equipment and project set up.)
3. Jason Stadstad Youth Boosters will provide a 25% cash match for the project and help coordinate the In-Kind Match for the project.
4. Final landscaping and planting of grass along the sidewalks and picnic area concrete will be done by volunteers.
5. In-Kind donations include 80 hours of labor at \$15.00/hour = \$1,200; Equipment rental \$2,500; landscaping dirt, grass seed etc. \$1,300.

**Sustainability – Indicate how the project will be funded or sustained in future years.**

Include information on the sustainability of this project after OHF funds have been expended and whether the sustainability will be in the form of ongoing management or additional funding from a different source.

The installation of concrete sidewalks is a long-term investment requiring little annual attention. The Park District will repair and protect the concrete as needed utilizing Park District funds.

**Partial Funding – Indicate how the project will be affected if less funding is available than that requested.**

This project has been broken down into 3 sections. (Phase 1, Phase 2, and Picnic Area Slab.) By doing so, we retain the flexibility to construct only as much as we have funds for. We will complete each phase as funds become available.

**Partnership Recognition - If you are a successful recipient of Outdoor Heritage Fund dollars, how would you recognize the Outdoor Heritage Fund partnership? \* There must be signage at the location of the project acknowledging OHF funding when appropriate.**

*A permanent plaque will be installed recognizing the Outdoor Heritage Fund contribution.*

**Awarding of Grants - Review the appropriate sample contract for your organization on the website at <http://www.nd.gov/ndic/outdoor-infopage.htm>.**

Can you meet all the provisions of the sample contract?  Yes  No

If there are provisions in that contract that your organization is unable to meet, please indicate below what those provisions would be:

## **ABOUT OHF:**

The purpose of the North Dakota Outdoor Heritage Fund is to provide funding to state agencies, tribal governments, political subdivisions, and nonprofit organizations, with higher priority given to projects that enhance **conservation** practices in this state by:

**Directive A.** Providing access to private and public lands for sportsmen, including projects that create fish and wildlife habitat and provide access for sportsmen;

**Directive B.** Improving, maintaining and restoring water quality, soil conditions, plant diversity, animal systems and by supporting other practices of stewardship to enhance farming and ranching;

**Directive C.** Developing, enhancing, conserving and restoring wildlife and fish habitat on private and public lands; and

**Directive D.** Conserving natural areas and creating other areas for recreation through the establishment and development of parks and other recreation areas.

## EXEMPTIONS

Outdoor Heritage Fund grants may not be used to finance the following:

- Litigation;
- Lobbying activities;
- Any activity that would interfere, disrupt, or prevent activities associated with surface coal mining operations; sand, gravel, or scoria extraction activities; oil and gas operations; or other energy facility or infrastructure development;
- The acquisition of land or to encumber any land for a term longer than twenty years; or
- Projects outside this state or projects that are beyond the scope of defined activities that fulfill the purposes of Chapter 54-17.8 of the North Dakota Century Code.

OHF funds may not be used, except after a finding of exceptional circumstances by the Industrial Commission, to finance:

- A completed project or project commenced before the grant application is submitted;
- A feasibility or research study;
- Maintenance costs;
- A paving project for a road or parking lot;
- A swimming pool or aquatic park;
- Personal property that is not affixed to the land;
- Playground equipment, except that grant funds may be provided for up to 25% of the cost of the equipment not exceeding \$10,000 per project and all playground equipment grants may not exceed 5% of the total grants per year (see Definitions/Clarifications for how this will be calculated);
- Staffing or outside consultants except for costs for staffing or an outside consultant to design and implement an approved project based on the documented need of the applicant and the expenditures may not exceed 5% of the grant to a grantee if the grant exceeds \$250,000 and expenditures may not exceed 10% of the grant to a grantee if the grant is \$250,000 or less (see Definitions/Clarifications for how this will be calculated);
- A building except for a building that is included as part of a comprehensive conservation plan for a new or expanded recreational project (see Definitions/Clarifications for definition of comprehensive conservation plan and new or expanded recreational project); or
- A project in which the applicant is not directly involved in the execution and completion of the project.

The goal of the Industrial Commission is that at a minimum 15% of the funding received for a biennium will be given priority for recreation projects that meet Directive D.

The following projects are not eligible for funding, unless there is a finding of exceptional circumstances by the Industrial Commission include:

- Construction or refurbishment of indoor/outdoor ice rinks,
- Construction or refurbishment of indoor/outdoor athletic courts and sports fields,
- Other substantially similar facilities.

- Infrastructure that is not part of a comprehensive conservation plan.
- Projects not meeting a minimum funding request of \$2,500.

## Budget Information

In-kind services used to match the request for Outdoor Heritage Fund dollars shall be valued as follows:

- Labor costs \$15.00 an hour
- Land costs Average rent costs for the county as shown in the most recent publication of the USDA, National Agricultural Statistics Services, North Dakota Field Office
- Permanent Equipment Any equipment purchased must be listed separately with documentation showing actual cost. (For example: playground equipment)
- Equipment usage Actual documentation
- Seed & Seedlings Actual documentation
- Transportation Mileage at federal rate
- Supplies & materials Actual documentation

More categories will be added as we better understand the types of applications that will be submitted. We will use as our basis for these standards other State and Federal programs that have established rates. For example, the North Dakota Nonpoint Source Pollution Management Program has established rates. If your project includes work that has an established rate under another State Program, please use those rates and note your source.

## Definitions/Clarifications:

Building - Defined as "A structure with a roof either with walls or without walls and is attached to the ground in a permanent nature."

Comprehensive Conservation Plan - Defined as "A detailed plan that has been formally adopted by the governing board which includes goals and objectives--both short and long term, must show how this building will enhance the overall conservation goals of the project and the protection or preservation of wildlife and fish habitat or natural areas." This does not need to be a complex multi-page document. It could be included as a part of the application or be an attachment.

New and Expanded Recreational Project means that the proposed building cannot be a replacement of a current building. The proposed building must also be related to either a new or expanded recreational project--either an expansion in land or an expansion of an existing building or in the opportunities for recreation at the project site.

Playground equipment calculation - Only the actual costs of the playground equipment (a bid or invoice showing the amount of the equipment costs must be provided) - cannot include freight or installation or surface materials or removal of old equipment, etc.

Staffing/Outside Consultants Costs - If you are requesting OHF funding for staffing or for an outside consultant, you must provide information in your application on the need for OHF funding to cover these costs. For example, if you are an entity that has engineering staff you must explain why you don't have sufficient staff to do the work or if specific expertise is needed or whatever the reason is for your entity to retain an outside consultant. If it is a request for reimbursement for staff time then a written explanation is required in the application of why OHF funding is needed to pay for the costs of that staff member(s)' time. **The budget form must reflect on a separate line item the specific amount that is being requested for staffing and/or the hiring of an outside consultant.** This separate line item will then be used to make the calculation of 5% or 10% as outlined in the law. Note that the calculation will be made on the grant less the costs for the consultant or staff.

Maintenance – Activities that preserve or keep infrastructure in a given existing condition, including repairs. Repair means to restore to sound condition after damage, to renew or refresh; except repairs due to damage caused by Acts of God.

## Scoring of Grants

Oral Presentation. Please note that you will be given an opportunity to make a ten-minute Oral Presentation at a meeting of the Outdoor Heritage Fund Advisory Board. These presentations are strongly encouraged.

Open Record. Please note that your application and any attachments will be open records as defined by law and will be posted on the Industrial Commission/Outdoor Heritage Fund website.

All applications will be scored by the Outdoor Heritage Fund Advisory Board after your ten-minute oral presentation. The ranking form that will be used by the Board is available on the website at <http://www.nd.gov/ndic/outdoor-infopage.htm> .

## Awarding of Grants

All decisions on requests will be reported to applicants no later than 30 days after Industrial Commission consideration. The Commission can set a limit on duration of an offer on each application or if there isn't a specific date indicated in the application for implementation of the project, then the applicant has until the next Outdoor Heritage Fund Advisory Board regular meeting to sign the contract and get the project underway or the commitment for funding will be terminated and the applicant may resubmit for funding. Applicants whose proposals have been approved will receive a contract outlining the terms and conditions of the grant.

## Responsibility of Recipient

The recipient of any grant from the Industrial Commission must use the funds awarded for the specific purpose described in the grant application and in accordance with the contract. The recipient cannot use any of the funds for the purposes stated under Exemptions on the first page of this application.

If you have any questions about the application, the Commission can be reached at 701-328-3722 or [ndicgrants@nd.gov](mailto:ndicgrants@nd.gov).

Outdoor Heritage Fund (OHF) GRANT APPLICATION  
MANVEL PARK BOARD  
Manvel, North Dakota

Dear OHF Grant Reviewers,

This letter is verification that the Jason Stadstad Youth Boosters have reviewed the Manvel Park District's grant application and support the goals of the project.

In support of their application, we commit \$16,000 to be used as their "Match" for the application. We will also coordinate the necessary volunteers to accomplish the In-Kind match identified in the application.

Please contact us if you have any questions.

Sincerely,

Mark Gerszewski,  
Jason Stadstad Youth Boosters Board President

# MANVEL COMMUNITY PARK IMPROVEMENT PROJECT

## YOUR DONATION

The playground equipment and play surface have been ordered! But you can still make a difference and help with Phase 2 of the Manvel Community Park Improvement Project! Help cap off the project with a new picnic area and sidewalks! Your donation will improve our community and impact the future of Manvel!

### ITEM

24ft x 27ft Picnic Slab

6ft Wide Sidewalk from Baseball field to Hockey Arena

4ft Sidewalks West side of baseball fields

**Total Cost of the Project**

### PRICE

\$12,506

\$19,960

\$34,280

**\$66,746**

If additional funds are raised, the project will be expanded to include sidewalks, a basketball hoop, a cement pad, improvements to the existing bathrooms, and the baseball park (sponsorships are also available for these projects).

Playground Champion - \$10,000+

Climbing Champion - \$5,000 - \$9,999

Happiness Supporter - \$2,000 - \$4,999

Fun Supporter - \$1,000-\$1,999

**Fun supporters and above will be listed on the new playground sign!**

Smile Booster - \$999-\$500

Park Booster - \$499-\$25

Picnic Table Sponsor - \$1,200 (Plaque on the picnic table)

Adult Swing Sponsor - \$1,500 (Plaque on the Swing)
