OHF FINAL REPORT - EXECUTIVE SUMMARY

Project Number:002-021

Recipient: Munich Park District

Award Amount:45,000.00

Total Project Costs: 100,500.00

Total OHF Funds Received: 29,631.00

Goal of Project: To have safe equipment for the children to play on. Our equipment was old and unsafe. The state inspectors have condemned our equipment.

Work Accomplished: The work was done by BC6 Builders from Dickinson, ND. It was finished the end of July, 2014.

Project Results: The project turned out very nice and have had many compliments on it. There always seems to be kids on the equipment in the summer time now.

Value to North Dakota: The value of the equipment to North Dakota is especially important to the City of Munich and surrounding towns that come for other recreation. We have travelers see the equipment from the highway and some stop in to use it to take a break and let the kids play and then have a picnic. We are very proud to have this in our community. And very thankful for the Outdoor Heritage Fund Program. Without it, it would still be just a dream.
