64 acres of land have been secured for seeding in spring of 2015, with all acres being enrolled in the NDGF PLOTS program. A diverse seed mix has been harvested from a mix of remnant prairies to be used in the Prairie Project seeding. Seed tests have been submitted and results are expected soon, which will determine the value and quality of seed harvested.

Photos of work completed are welcome (If appropriate, please submit photos of key elements of the project completed or in progress during reporting period) Do not exceed five photos per project report.
