To Whom it May Concern:

The City of Anamoose just recently received a grant from the ND Forest Service to assist with the cost of removing unsafe trees from the Anamoose City Park. This project cannot be completed yet this Fall; instead, we hope to have them removed during the Spring or early Summer of 2016. However, the person who removes trees in this regional area has indicated he may be retiring; and, we are scrambling to find another person who will do this for us.

We understand the need to complete our project before the new playground equipment can be installed. We will move as expeditiously as possible to allow the installation of playground equipment as soon as possible.

If you have any questions, please contact me at 701-889-3522.

Sincerely,

Cheryl Linardon
