Work Completed during Period Covered by Report:

(This information will be posted on the Outdoor Heritage Fund/Industrial Commission website)

After the contract between the North Dakota Industrial Commission and Pheasants Forever was finalized, Pheasants Forever staff began the development of the North Central Soil Health & Habitat promotion page, application and contract. These documents have been shared with our partners to help gain awareness about the program opportunity. Due to the late wet spring we opted to delay a grower meeting until spring planting was complete. On June 19, 2019 Pheasants Forever presented the NC Soil Health & Habitat program to growers in Minot, North Dakota. Other groups in attendance, included Unilever, Minot Milling and representatives from Farmers Business Network.
