Work Completed during Period Covered by Report:

(This information will be posted on the Outdoor Heritage Fund/Industrial Commission website)

Since grant approval Pheasants Forever and its staff have been promoting the program opportunity through partners, such as Soil Conservation Districts, USDA offices, John Deere dealerships and our network of professional agronomist/crop consultants. We have also promoted the opportunity through our State social media channels (Facebook, Instagram and Twitter). Our field staff have hosted and attending numerous ag day workshops with partners to discuss the use of precision ag technology as well as inform participants about the opportunities provided through the ND Outdoor Heritage Fund. Since the social distancing guidelines for COVID-19 have been put in place our field staff have utilized technology, such as zoom, skype and FaceTime to meet with interested landowner/growers to complete PATCH applications and plan conservation practices.
