The OHF Working Grassland Partnership 4 (WGP4) currently has signed 8 new landowner agreements since the last status report for a total of 37 agreements covering over 18,092.90 acres. To date WGP4 has obligated \$1,108,996.24 of OHF development cost-share (60%) with \$746,605.41 in landowner cost-share (40%). The drought of 2021 has accelerated the interest by landowners to participate in grazing systems cost-share on expiring CRP acres. The Trust has fully obligated all WGP4 grant funds in 2021 and many of the development activities should be completed in 2022 and 2023.
