**OBJECTIVE/STATEMENT OF WORK:**

Develop the old Columbus High School lot into a new community park called Cougar Park. Funds will be used to purchase playground equipment, prepare the lot, and safely install equipment.

**STATUS:**

The contract has been approved and executed by both parties.

October 2020

The children and families who live in Columbus have greatly benefited from the new Cougar Park! We now have a fun, new park for play and exercise! Families and neighbors have a new place to congregate and socialize. As soon as the park was installed, children and families began enjoying the new play equipment! Because the park is on Main Street, it was very evident that it was being used by the community. One could hear laughter, see vehicles congregating, and witness children playing!

Pictures are available in the full report. This contract is now closed. All awarded funds were used.
