OBJECTIVE/STATEMENT OF WORK:

This project will continue the ND Forest Service and Outdoor Heritage Fund Windbreak Renovation Initiative and provide financial assistance to landowners to renovate dead and deteriorating windbreaks.

STATUS:

Contract has been executed by both parties.

February 2022:

Grant applications were posted on the NDFS website and made available to all interested parties. In 2021, NDFS awarded grants to 20 landowners. As of February 28, 2022, one renovation project has been completed, resulting in the restoration of 7 acres of forest. \$11,274.42 of grant funds have been expended. 19 renovation projects are in progress with \$128,034.25 in estimated grant funds committed. Total grant funds obligated \$139,308.67. Actual reimbursements will be based on actual costs.
