Status Report: November 30, 2025
Final Report: November 30, 2026

OBJECTIVE/STATEMENT OF WORK:

This objective of this project is to help provide one stop shop for landowners that would like to convert expiring CRP acres into working grazing lands. Technical expertise along with cost share for livestock and grassland bird friendly development practices will be provided. NDNRT will provide a lease payment to participating landowners.

STATUS:

The contract has been approved and executed by all the parties.
